

VILLA YIP

KINDERDAGVERBLIJF

PRODUCTS & RATES 2023

Products

Villa Yip offers whole day childcare and daypart childcare. It is also possible to choose a combination of both. Also occasional (flex) childcare per daypart is possible^{***}. Childcare is provided from a minimum purchase of 2 dayparts per week.

Net (actual) costs

The Dutch government contributes to the costs for the use of childcare. The amount that remains after deduction of the childcare allowance is called net costs. These are the costs that are actually for your own account. As you can see, our childcare is very affordable.

Including

Nutrition and various care products including diapers are included in our prices. As also Nutrilon bottle-feeding. Deviating food products (gluten-free, lactose-free, etc.) must be taken from home.
